to

Castro Valley Veteran's Memorial

In honor and recognition of the opening of the Castro Valley Veteran's Memorial on November 11, 2012 – Veteran's Day. This memorial will serve as a place of remembrance and celebration for the men and women who have served so honorably in our nation's armed services. The site will not only be an important place for residents of Castro Valley and the surrounding community, but also all who wish to celebrate the sacrifices made by American Veterans. As a United States Senator representing the people of California, I look forward to a lasting tribute to American service members and I salute the Castro Valley Veteran's Memorial Committee for their outstanding efforts and accomplishments.
